

FARM CLUB

What is Farm Club about?

Every other Saturday throughout the year, the Farm opens at 9.30 to 12 o'clock for children from the ages of 5 – 16.

The children will be able to feed, clean and handle a large range of animals to include rabbits, guinea pigs, ducks, horses, ponies, poultry, sheep, goats and cows.

There is a break time when children can enjoy a refreshing soft drink and snack.

Old clothes and wellies should be worn and also be sure to bring wet weather gear in case of need.

We look forward to seeing you to help you enjoy happy times that can be had looking after animals.

The cost to join is £7 per child per visit which reduces to £5 per child if the parent/guardian stays with them.
