Riding for the Disabled/Carriage Driving/Donkey Handling,

I would be interested in **(name of student)**taking riding lessons/carriage driving lessons/donkey handling lessons (**please circle choice**) at Larkrise Community Farm. All the above lessons include the opportunity to work towards a certificate in the ‘ASDAN RDA Towards Independence Programme’ and/or ‘ASDAN – Animal Care/Short Course’.

I understand that the cost per half hour session is £7 for students and clients on placement at Larkrise Community Farm and £12 for the general public. The general public may pay on the day of the lesson by cash or cheque or we can arrange a monthly invoice on request. Students and clients on placement will be invoiced monthly.

Many thanks
