## Welcome to Larkrise Community Farm

We are a user friendly, hands-on community farm that is run as a charity. Our objectives are:

"To advance education and provide facilities for recreation and other leisure-time occupation based around it for those who have need of such facilities by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances."

Larkrise Community Farm was set up in 1987, in association with Larkrise Special School in Trowbridge. It became a separate entity in 1999 and is now run by a Board of Trustees as a Charitable organisation. It was officially opened at the present site in March 2006 by HRH the Countess of Wessex.

There are currently seven Trustees including the Chair, Rosie Fell, with expertise in agriculture, business and finance, special needs, Health & Safety and administration.

The farm is staffed by two full-time and 8 part time employees led by The Farm Manager, Wendy Self. We also have many volunteers, on whom we depend, especially for the RDA.

## Educational Work Placements

As well as fundraising and donations, our income is generated by full or half-day educational work placements. We mainly work with Education Authorities helping coach children back into learning, as well as with adults with additional needs, referred to us by Wiltshire Council.

Students attend Monday to Friday and are aged anywhere between 7 – 65 years. They learn social and life skills within an animal-based environment. Working with our animals and other students helps improve self-esteem and confidence, reduce anxiety and achieve a sense of importance.

Students are supported either by our own skilled support staff or by their external support. Prices vary according to requirements. For more information, please contact our Education Coordinator on [education@larkriefarm.org.uk](mailto:education@larkriefarm.org.uk)

## Riding for the Disabled & Carriage Driving

Larkrise Community Farm in Trowbridge is proud to be the registered home to the Larkrise/Hampsley RDA (Riding for the Disabled) Group.

The original Larkrise RDA Group set up in 2012 by Wendy Self merged in 2018 with the Hampsley Hollow and Lacock RDA Group. The new group, known as Larkrise/Hampsley, is based at Larkrise Farm. We have our own premises and resident horses and ponies of varying sizes, which means we can accommodate a wide range of riders.

Our friendly, highly skilled team of RDA instructors, staff and volunteers help children and adults with disabilities enjoy the multi-sensory experience of horse riding and carriage driving. For more information contact Wendy on [manager@larkriefarm.org.uk](mailto:manager@larkriefarm.org.uk).
